

## **Snowy Night** (2016)

By Walt Wright

Nothing reflects the essence of silence like a snowy night. The 6x6 acrylic painting gives a feeling of calm and quiet. A moon lit sky with a few stars shining over a blanket of snow in a remote forest is tranquility at its finest.

This painting was donated to The Arts Depot of Abingdon, Virginia. Its sale helps to keep the lights on and art alive in Abingdon. Thank you for supporting the arts!
