

## Wyvern - Ego (2023)

By Walt Wright

This 11 x 14 acrylic on canvas painting is number seven in the Wyvern series. Ego has a way of destroying a person's life as well as the lives of those around them. Ego is never satisfied, it always wants more. Ego can drive a person to do some very risky things. Both men and woman often take perilous steps to acquire more. Many are overwhelmed by a lust for material things, which takes money. So, in many ways the lust for money is indeed the root of all evil. Perhaps someday this beast can be tamed if not defeated. Until then, we must seek to cage it some way before it destroys us.
